

## Resort Man Is Critically Hurt In Auto Crash

Over 100 Stitches Required To Close Wounds In Caruso's Head

Johnny Caruso, 51, prominent resort manager and former owner of Caruso's on Highway 40 near Colfax, is recovering at the Tahoe Forest Hospital from serious injuries resulting from an automobile accident on the Truckee-Tahoe highway Monday morning at 1 o'clock.

Caruso has a fractured skull, chest injuries and numerous abrasions and contusions. Officers of the California Highway Patrol reported Caruso's car, traveling north, skidded 500 feet on a curve near Big Chief and the vehicle crashed into the rocks beside the road, continuing another 130 feet before stopping.

Caruso was rushed to the Tahoe Forest Hospital by Truckee ambulance after Mrs. Herschel Hill, who was just behind the Caruso car, telephoned for help. Dr. L. D. Nelson, who treated Caruso, said over 100 stitches were necessary to close wounds in the victim's face and head.

Recently Caruso had been employed as host at Bert Cochran's Log Cabin at Crystal Bay.

### Women Injured

Mrs. Dorothy Irene Johnson, 42, wife of the late mayor of Richmond, was cited by Patrolman Carol Maynard morning when her car ran off the road near Rainbow, seriously injuring her mother, Mrs. Margaret Clark, 79, Richmond.

A second car driven by Walt Paul Jemin of San Jose, Maynard was told, was forced to run into rocks at the side of the road to avoid a collision. Both women were treated at the Tahoe Forest Hospital.

## HI SCHOOL SHOW, CARNIVAL IS SET ON FRIDAY NIGHT

Preparations are complete for staging the annual Carnival, sponsored by the Tahoe-Truckee High School student body, at the high school gymnasium Friday evening at 7 o'clock.

The public is invited and the proceeds will go toward financing the school's annual, The Chipmunk.

Booths have been installed and a "TV" show will be a highlight of the evening. Refreshments will be served and an admission charge of 50 cents for adults and 25 cents for children will be collected.

Ed Alameda is chairman of the committees in charge, with John Moore heading the entertainment committee, Ernest Douglas is the faculty advisor, Jeep Reid the building committee chairman and Charles Smith in charge of promotion.

## Lady Eagles to Sponsor Distaff Softball Team

The Ladies Auxiliary of the Eagles is sponsoring a softball team under the direction and management of Mrs. Hugh Weinand. There are still a number of vacancies on the team and those wishing to join may contact Mrs. Weinand.

## Wakefield Quits Station, Is Full Time Railroader

Al Wakefield, who two weeks ago took over the management of the Texaco Service Station near Osburn's Garage, this week said he was leaving there to devote his full time to his position with the Southern Pacific.

Clarence Osburn, owner of the station, will operate the unit as part of his garage for the time being at least.

## Mrs. Wilson Hostess At Red Cross Tea

Mrs. F. W. Wilson, home service chairman, was hostess at a tea for Red Cross workers Tuesday afternoon at The Sportsmen at Truckee Resort. Honor guests were Miss Gladys Tibbotts, Red Cross field representative from San Francisco, and Miss Dorothy Waggoner, executive home service secretary from Nevada City.

Members of the local executive board and the home service committee also attended. Miss Tibbotts spoke briefly on the Red Cross blood donor program.

## Mrs. Mayer is Delegate For FOE Auxiliary Here

The Ladies Auxiliary, F. O. E., regular meeting was held Monday night when plans were made to send Mrs. Alice Mayer to the state convention. Refreshments were served by Mrs. Hugh Weinand, Miss Eleanor Dominguez and Mrs. Ray Guymer.

83rd Year No. 25

Truckee, Nevada County, California Thursday, May 22, 1952

10c

Since 1869

## Administrator Is Chosen To Head Forest Hospital

John H. Wardman, currently employed at the Amador County Hospital at Jackson, has been engaged as administrator and laboratory technician for the Tahoe Forest Hospital at Truckee to replace Philip Shaw whose resignation became effective Saturday.

The new administrator is expected to arrive next week and will take over his duties here immediately.

Wardman has a wife and three children, ranging in ages from 4 to 7. They will make their home here. For the past 12 years he has been engaged in hospital work as a technician and administrator. He served three years in the Navy medical department.

C. R. Heller, president of the board of directors of the hospital, said Wardman comes here highly recommended and is expected to be valuable in his new position. Wardman expressed his pleasure with the community and people here, and said he hoped to make this his permanent home.

## CEMETERY READY FOR MEMORIAL DAY, BOARD SAYS

Repairs at the Truckee cemetery, made necessary by the severe winter storms, are going forward and will be completed by Memorial Day.

The board of directors of the cemetery district, R. A. Scott, W. M. Englehart and Frank A. Titus, with Clerk C. B. White, met last Friday and decided to employ a permanent sexton to keep the grounds and equipment in repair.

The water system has been extended to the cemetery and the nine outlets provide for sprinkling the entire grounds. A new gate is being installed and the fence repaired.

Visitors to the cemetery are asked not to leave debris or rubbish when decorating graves and to be sure to shut off the water if the hydrants are used.

Because of the limited finance, the board cannot accomplish all it desires but is outlining a long-time program for improvements and beautification of the cemetery here.

## Final Report Issued On March of Dimes

Roy Waters, who headed the local committee for the March of Dimes, has received a final report on the drive in Nevada County, indicating that \$6484.53 was raised. Locally, \$385.07 was turned in by the local chairman, a sum in excess of expectations as the rough winter made operations difficult.

Half the amount raised goes to the national foundation, the other half remaining in the county chapters.

## SUNSHINE GIRLS ORGANIZED HERE

Mrs. Ray Roberts announced on Wednesday that the Pythian Sisters' Sunshine Girls Council membership has been completed, with 22 girls and young women, between the ages of 10 and 20 eligible to belong to the newly formed group. The girls do not have to have any member of their family in the Pythian orders to be accepted.

Mrs. Roberts was assisted by Mesdames Stan Songer, Chester Marquis and Charles Heller. The latter announced the fact at Grand Temple at Santa Barbara and there the date was set for institution of the group.

## Rebekahs Preparing Hospital Scrap Book

Naomi Rebekah Lodge held a regular meeting on May 14. Dorothy Kay presided as noble grand in the absence of Pearl Heller. Refreshments were served by Alice McGee following the short business meeting.

The members are reminded to bring their cards to the next meeting, May 28, so the scrap book for the hospital can be started.

### Buy Home

Mr. and Mrs. R. D. Boyce of Lake Tahoe have recently purchased a home at Menlo Park.

## Baseball Team Meets Nevada City On Sunday

## Kielhofer, Korich Called In To Put Out Fire Too Late

Truckee's American Legion Mountaineers Sunday had three bad innings in their game with Roseville here and as a result lost the Placer-Nevada League contest 17 to 3, despite the fact they collected only three less hits than the visitors.

Next Sunday Truckee meets Nevada City on the local diamond.

In Sunday's contest, Lyn Roath started on the mound for Truckee and the first inning went off fine. The second and third, however, proved the undoing of the locals as the visitors piled up six runs off four hits in each inning and came back in the fourth to add four more off two hits, to give them a commanding lead.

Roath was replaced by Karl Kielhofer in the fourth and only one run was allowed in his two innings. Mike Korich, who had been catching for Truckee, relieved Kielhofer and during the last three frames he pitched allowed three scattered hits and no runs.

Billy Campbell in left field turned in a star performance, with four putouts, two hits, including a double, and scored one run. Ed Ulsheimer had a bad day in the field with his short throws from short, but got two for three at bat. Al Wakefield hit two for five and Don Jackson got two for three, including a home run. Each team provided a double play.

Simon, pitching for Roseville, struck out 12 batters and allowed 10 hits, beside hitting three batters.

The score: R H E  
Roseville 17 13 2  
Truckee 3 10 6  
Simon and Moreno, Frederickson; Roath, Kielhofer, Korich and Korich, Frates.

## RUSSELL FARLEY MOVED TO CAPITAL

Russell Farley, who has represented the state board of equalization's liquor control division in this district for the past several years, has been transferred to the Sacramento enforcement office of the division and is leaving Kings Beach June 1.

In announcing the promotion of Farley, J. L. Seawell, member of the board of equalization from this district, said the local man had been "loaned" and since an opening in the enforcement branch has occurred in Sacramento, he is returning to his own department.

No immediate successor for this area has been named and for the time being at least, representatives from the Nevada City office will cover this area.

## North Tahoe Sewer Case Before Placer Court Jury

AUBURN—A jury is hearing a \$9950 damage action in the Placer County superior court this week. The plaintiffs, Frank and Fern James, seek damages from P. & J. Artulovich Inc. and the North Tahoe Public Utility District for injury to property, allegedly caused by the digging of a sewer line.

## Crews Work on Last Snow-Locked Highway

Division of highways crews are starting the task of opening the snow clogged road along the west side of Lake Tahoe. The lateral is still closed at Bliss Park but is expected to be opened before long over the Emerald Bay grade.

## Hit and Run Driver Gets Year in Jail

Clarence Hagstrom, 49, Reno, recently found guilty in the Nevada County superior court on a charge of hit and run, was sentenced yesterday to serve one year in the county jail when he appeared before Judge James Snell for sentencing. Hagstrom was arrested after his car hit one driven by Milton Burgett last winter near Truckee.

## Sun Beams

by Walter M. Barrett

Everyone capable of voting must have a preference among the various candidates seeking election at the June 3 primary and should back up this choice by going to the polls and casting their vote. It is unfortunate that at nearly every election only 50 or 60 per cent of the eligible voters turn out, the results seldom reflecting the wishes of the majority of the registered citizens. The recent school district election was indicative of the apathy among voters. We grant that there was not sufficient notice of the balloting given officially but we are confident that far more than the 26 Truckee voters who responded were aware that an election was being held. With more than 700 citizens registered in Truckee, a turnout of 26 was pathetic. If we are to be self-governed, then it's up to each and every voter to exercise his right when given the opportunity. By all means, resolve now to vote June 3. It's your duty as well as a privilege—a privilege now denied a vast majority of the world's population. We can maintain our form of government only as long as we exercise our franchise to select our representatives.

## Dave Chambers Of Tahoe Passes

TAHOE CITY—All Tahoe was saddened on Saturday to learn of the death of one of its pioneers, Dave Chambers, who, with his wife, Phila, owned and operated Hotel Samarkand at Santa Barbara and Chambers' Lodge on the west shore of Lake Tahoe. His caretakers, Mr. and Mrs. Jack Albert, received word early Saturday that he had passed away in his sleep at a Santa Barbara hospital Friday, May 16. He had been a patient there for several months. He would have reached the age of 73 in July.

Around 1919 Chambers bought the famous old McKinney Resort on the lake shore, the name being changed to Chambers' Lodge some years later. Chambers, well known for his kindness and generosity, was also civic minded and will long be remembered for his fire prevention activities. His trim, red fire truck was the first in evidence at any fire in his district.

He was a charter member of the Tahoe Yacht Club and served as starter at the annual races, one of which was always held at Chambers' Lodge each season. He was also an officer of the Lake Tahoe-Sierra Association.

In earlier days, when the Indians of Nevada spent their summers at the lake, Chambers provided living quarters for them on his property across the highway and gave them employment, food and clothing.

Friends who visited him at the hospital during his illness reported he was determined to return to Tahoe this spring, if he had to come in an ambulance, so devoted was he to his mountain resort.

He is survived by his wife who, because of her own illness, was not immediately advised of his passing; his brother, George, who remained by him all winter to attend to business matters and personal wants, and several nephews and nieces.

Funeral services were held at Santa Barbara Tuesday. The family asked that flowers be omitted but donations in his name for the Shrine Crippled Children's Hospital will be welcome. Donations may be forwarded in care Hotel Samarkand, Santa Barbara.

George Chambers will operate the resort at Tahoe this season, with no changes in management contemplated.

The world has lost a good citizen and Tahoe has lost one of its most beloved personalities.

## Daughter is Welcomed In Carnelian Bay Family

Mr. and Mrs. Richard Rich of Carnelian Bay are parents of a baby daughter who weighed six pounds when she arrived at the Tahoe Forest Hospital Friday, May 16. Mrs. Rich and the baby returned home Monday.

## Association Will Seek Unification Of Lake Groups

## Water's Importance Will Be Stressed as Main Aim Of Tahoe-Sierra

GLENBROOK—Meeting here Tuesday night directors of the Lake Tahoe-Sierra Association reviewed last year's activities and formulated tentative plans for the 1952 summer season at Tahoe.

One of the items discussed was the proposed consolidation of booster organizations at Lake Tahoe, including the Lake Tahoe Chamber of Commerce, into one unit designed to promote the lake as a whole. George Phillips of Sandy Beach was named chairman of a committee to make plans for a meeting with the chamber for the purpose of further discussing the plan which was proposed last fall by the chamber.

Plans were also made for the reception of the Sacramento Chamber of Commerce goodwill tour which will arrive at Tahoe June 20.

Will Bliss urged the importance of educating the residents and property owners at Tahoe regarding the water conservation and flood control plans at Tahoe and this has been designated as one of the principal aims of the association during the coming year.

Directors attending the session which was presided over by Harry Comstock were Bliss, Phillips, George Kehlet, Don Huff, Kjell Rustad, Fred Main, Norman Celio, Ernest Pomin, Mrs. Harriet Craven and Secretary Ruth Droste.

## BIDS BEING ASKED FOR BUILDING NEW BORDER STATION

Frank B. Durkee, director of public works, announced this week that bids will be opened in Sacramento on Tuesday, June 10, for the erection and completion of an inspection station, state department of agriculture, one mile west of Truckee on Highway 40.

The station will contain an inspection unit, office, contraband room and toilet facilities. Construction will be wood frame, concrete foundation and floor slab, wood siding and metal roof. NPA authorized construction schedule and material allotments have been received for this project.

The department of public works and the division of architecture are particularly interested in securing bids from qualified contractors in the Truckee area. Plans and specifications may be obtained from the Division of Architecture, 1120 N Street, Sacramento, Calif.

## HARVEY HOCKER 20-30 GOVERNOR

Harvey Hocker was elected district governor of the 20-30 Clubs of the Nevada district at the convention held Saturday and Sunday at Winnemucca. He replaces Ed Block of Carson as head of the district which includes most of the Nevada area as well as Bishop and Truckee in California.

Mr. and Mrs. Hocker and William Frey attended the convention to represent the Truckee club. Hocker is past president of the Truckee club and has been active in the group since its organization.

## Time is Running Out For Tax Exemptions

County Assessor William Tamblyn today warned veterans that they have only until Monday, May 26, to make application for their statutory tax exemption.

Tamblyn and his deputies who have been at the fire station here all of this week assisting local taxpayers in their property assessment problems, will remain until 10 a.m. Saturday. All taxpayers are invited to go to the Truckee fire station if they have any questions.

### Nonagenarian Here

A Bianchi of Winters, who was 97 years old May 9, is visiting in Truckee, seeking relief from an attack of hay fever. Bianchi is well known here where he had a watch repairing shop for many years.

## Traffic Doubles During Month On Highway 40

Traffic through Truckee over U. S. Highway 40 during April more than doubled the March total and indications point to a heavy travel season, according to the monthly report of the state department of agriculture.

The automobiles checked at the quarantine station here last month, which includes only west-bound vehicles and no locals, totaled 24,312, while 2987 trucks and 513 stages added to the total with a passenger count of 70,203.

This compares with slightly over 11,000 cars checked during March.

At Stateline on Highway 50, the count was also up as compared with the previous month and 4,546 cars, 157 trucks and no buses, with a passenger count of 11,686 were noted in the report.

The report showed Truckee, as a port of entry which has ranked sixth during the winter months among the state's border stations, is now back in third place—exceeded only by Yermo and Blythe in southern California.

The gateways to California opened to 546,490 persons during April, the department said.

This total, including residents of the state, persons from outside of California and stage passengers, entered through the department's 16 border quarantine stations.

They entered in 200,041 automobiles, 20,919 trucks and 1,686 stages, the department said, and despite the bus strike, 39,612 passengers came into the state via the stage route.

## PRISONER TAKES WALK DURING INVESTIGATION

Constable N. F. Dolley today said a warrant charging jail break has been issued against Thomas James Tucker, alias Harry Hill, 45, who was being held here on a drunk charge and who walked away from a work gang yesterday morning.

Tucker was arrested Thursday night and being questioned relative to two separate fires in Southern Pacific railroad cars near the roundhouse. The fire department was called to extinguish the blazes. Damage was estimated at nearly \$3,000 all together.

Later Tucker was arrested near the scene and Dolley and SP agents were investigating his activities when he was missed by the local officer.

Dolley said fingerprints indicated the suspect had served a term in the Nevada state prison on a grand theft charge.

## Enters Plea of Guilty In Summit Lodge Theft

John Lee Low, 27, former employee at Donner Summit Lodge, entered a plea of guilty to a grand theft charge involving the theft of nearly \$800 from the lodge recently, after appearing before Judge James Snell in the superior court. He will be sentenced Tuesday.

## GREYHOUND ROLLS; STRIKE IS SETTLED

Pacific Greyhound's blue and white buses were rolling along the highway this week for the first time in 77 days.

The 2900 drivers and station employees, who struck for wage increases and a five-day week, reported back to their jobs as the settlement was reached.

### CAR THEFT CHARGED

Michael Patrick Harrison, 17, stationed at the Mather Air Base, Sacramento, was apprehended here Sunday by Patrolmen Carol Maynard and Martin Sturcke and booked en route to Sacramento on a car theft charge.

### Guests Here—

Mr. and Mrs. George Paris visited Mrs. Elden Tonini and Mrs. Mary Zunino last Thursday, en route from Massachusetts to Oakland. The local women are aunts of Mrs. Paris.

### Vacation and Business—

Mr. and Mrs. Royal Elf returned from Santa Cruz, Los Angeles and San Francisco. Mrs. Elf was a witness in a court trial in the latter city.

## Sportsmen Get Promise Of Aid From Senators

Over 200 Attend Meeting With Senate Group Last Night

Some of the recommendations for improving fishing and hunting conditions in this area are already being carried out by state fish and game officials and others will be given full consideration.

This was the assurance given an audience of over 200 sportsmen, service club members and civic leaders meeting at the high school cafeteria last night when the state senate interim committee on fish and game held a public hearing.

Various sportsmen's clubs from Tahoe, Truckee, Donner Summit and Sierra Valley were represented, and presented their proposed programs to the committee, headed by Senator Howard Williams of Tulare. Other members of the committee are Senator Harold Johnson of Roseville, who arranged the affair; Senators Charles Brown, Ed Johnson and George Hatfield. Seth Gordon, head of the department of fish and game, Forest Supervisor Guerdon Ellis, Captain William LaMarr and other state and federal officials were present.

### Five Points

The five point program formerly submitted by the Truckee Outdoor Sportsmen, in cooperation with the Truckee and Lake Tahoe chambers of commerce, including planting catchable trout, establishment of more beaver colonies, appointment of a permanent biologist, raising levels of various lakes, elimination of rough fish and a winter feeding area for deer, were emphasized and apparently approved.

Clarence Beavers, Howard Guth and Carl Bechtold Jr., presented the case for the Tahoe sportsmen and Reginald Smart, president of the Truckee chamber of commerce, represented local interests. Robert Lynch, Dr. Hollis Snell and Art Strang of Sierra Valley presented the recommendations from that district. Lynch spoke highly of the work started here by Al Bradshaw before the latter left for Oakland and urged that his program be furthered. James Sherritt spoke for the Donner Summit sportsmen.

### Uniform Season

Lynch urged a unified hunting season for Nevada and California, pointing out that the local herd is subject to greater pressure by the long season than any herd in the country.

### Needham Speaks

One of the most interesting discussions of the evening was given by Dr. Paul C. Needham, University of California professor, now conducting a series of experiments with fish and wild life on Sagehen Creek. Dr. Needham emphasized the fact that only through a thorough study of the habits and environment of fish could a sensible, long-range program be outlined for propagating the streams and lakes.

One fact brought to the attention of the group is that in one mile of Sagehen Creek the fish census revealed 100 pounds of trout to 800 pounds of sculpins, a worthless trash fish.

He told of the work being done and the accomplishments expected.

Senators Williams and Johnson expressed the hope that through the cooperation of local organizations, great improvements can be accomplished.

Gordon said his department is making every effort to bring about better conditions and urged the support of the sportsmen.

The meeting followed a dinner served by the cafeteria staff. The arrangement committee comprised E. V. O'Rourke, V. C. Shattuck and Floyd Carnell.

## Truckee People Parents Of Daughter on May 21

Jody Lea Stewart, six pounds and 10 ounces, arrived at the Tahoe Forest Hospital Wednesday morning. She is the daughter of Mr. and Mrs. K. F. Stewart of Truckee and both she and her mother are doing nicely.

The new arrival's grandmother, Mrs. R. L. Hall of Long Beach, is here to visit her daughters, Mrs. Stewart and Mrs. Wesley Fair.

## VISITING HOURS SET AT HOSPITAL HERE

Some confusion has been encountered by visitors to the Tahoe Forest Hospital and so definite visiting hours have been established.

C. R. Heller, president of the governing board, said visitors are welcome between the hours of 2 and 4, and 7 and 9 p.m. daily. He asked that visitors use the west driveway and entrance, the east entrance being for emergency vehicles.

PROCEEDINGS OF THE BOARD OF SUPERVISORS FOR THE MONTH OF MAY, 1952

May 1, 1952  
The regular meeting of the Board convened at 10:00 o'clock A.M. with Chairman Henry G. Loehr presiding. The minutes of the special meeting of April 22, 1952, were read by the Clerk, and no errors or omissions being noted, were ordered adopted as read.

The following transfer of funds was authorized by the Board: \$35,000.00 from the Special Road Improvement Fund to the General Fund to repay previous loans; \$72.18 from unbudgeted reserve to fire and burglary insurance budget; \$2400.06 from the General Fund to the special road improvement fund; \$30,000.00 from the General Fund to Veterans Building Fund to repay a previous loan; \$20,000.00 from the General Fund to the General Reserve Fund to repay a previous loan; \$20,000.00 from the General Fund to the Special Road Improvement Fund as an appropriation.

The following amounts were ordered added to the road budget: Code No. 561-S \$8405.59, and Code No. 561-M \$9068.60.

The monthly claims were presented by the Auditor and the same were inspected by members of the Board. The following amounts were ordered allowed from the following funds:

GENERAL FUND, Warrants Nos. 14913 to 16388 ..... \$112,776.14  
VETERANS BLDG. FUND, Warrants Nos. 126 to 139 ..... 1,119.20  
SPECIAL ROAD IMP. FUND, Warrants Nos. 1132 to 1241, ..... 23,073.35

GENERAL ROAD FUND, Warrants Nos. 25 to 28 ..... 1,064.28  
The Board ordered erroneous taxes cancelled of property assessed to Milton E. & Ramona Harris, Otto W. & Frida M. Dietz and James Knuckey.

A request for loan of \$20,000.00 by the Trustees of the Grass Valley City Schools was continued to July 1 for attention.

The County Probation Committee notified the Board that it would not approve the Architect's drawings of the proposed County Detention Home and suggested that no further plans be made for the present.

The Board reappointed Mr. Louis Hartman and Mr. R. N. Little as members of the Nevada County Planning Commission. Mrs. Doris Noble is reappointed as Assistant County Service Officer for a period of six months commencing this day.

The County Recorder is given permission to hire a deputy to replace Miss Heather on the second step of the salary range as Typist I at \$180.00.

The Welfare Director informed the Board that he is granting Ernestine Deebie a three-month's leave of absence commencing June 1, 1952. Said action is approved by the Board. The Board also approved the April report of the Welfare Department.

The Board ordered the proceedings for May published in the Sierra Sun.

The Board postponed until May 7 disposal of the Tyler Road F.A.S. project.

The question of whether the Road Commissioner has the right to set the Bridge Foreman's salary at \$20.00 per day was discussed, but final action postponed until a later meeting.

In accordance with election laws, the Board proceeded to appoint election officials and polling places for the June 3 Primary Election.

Adjournment is taken until 10:00 o'clock A.M. on May 7, 1952.

May 7, 1952  
The meeting of the Board convened at 10:00 o'clock A.M. pursuant to adjournment. The meeting was called to order by Chairman Henry G. Loehr, and upon roll call, all the members were noted present. The minutes of the meeting of May 1 were read by the Clerk, and no errors or omissions being noted, were ordered adopted as read.

The matter of continuing with the Tyler Road F.A.S. project was discussed with the Road Commissioner and Mr. Ted Schwartz. On motion of Supervisor Guy N. Robinson, seconded by Supervisor J. C. Coughlan, and unanimously carried, it is ordered that the Board adopt a resolution to proceed with the project.

A representation from the State of California, Division of Highways, consisting of Mr. H. F. Sherwood and Ted Jayne appeared before the Board for approval of the rural areas of the proposed new freeway between Grass Valley and Nevada City. On motion of Supervisor Frank J. Rowe, seconded by Supervisor J. C. Coughlan, that this Board approve the rural area of the proposed freeway, subject to the approval of the Council of Grass Valley and the Council of Nevada City, and that a hearing before the California Highway Commission is not desired, was unanimously carried.

Mr. C. F. Shamberger appeared before the Board and requested immediate action to eliminate the condition of sewer exhaust adjacent to his property in the Willow Valley District. Supervisors Frank J. Rowe and J. C. Coughlan were appointed by the

NORTH TAHOE

by THELMA BURROUGHS

Mr. and Mrs. Aaron Abbott came up from Fresno to spend the summer at Lake Tahoe. Aaron plans to offer a unique service for this section of the country, an armored truck bonded transport service. This should meet with approval as so many resort owners and club operators often find it difficult to make the trip to the bank in Truckee. Aaron and his wife, Kathryn, with their small son, Mitchell, are staying with his parents, Mr. and Mrs. A. E. Abbott of Kings Beach.

Back to the lake and getting ready for business are Bill and Bonnie Bates, after spending a long winter at their ranch in Missouri.

The Frank S. Timberlake fam-

TAHOE INN BARBER SHOP

OPEN MAY 20th

Same Management . . . Ernest Hoerdler

Chairman to consult with the District Attorney and the Nevada City Attorney John L. Larue regarding sewer rights of way to connect with the Nevada City sewer system.

The Chairman was authorized and directed to execute an agreement with the State of California, Division of Highways, for controlling puncture vine and other noxious weeds.

The Chairman was authorized and directed to execute an agreement with U. S. Department of Interior, Division of Fish and Wildlife Service, to provide for control of predatory animals during the fiscal year 1952-53, said sum not to exceed \$3000.00.

The Chairman set Wednesday, May 14, at 10:00 o'clock A.M. to meet with the District Supervisor, Department of Industrial Relations, regarding sanitation problems in Nevada County. The Chairman also set this same date at 2:00 o'clock P.M. for hearing representatives of the State Controller regarding the setting up of an abstract of delinquent taxes for the auditor's office.

The Director of Special Events of the California State Fair requested the Board to designate a day to be known as Nevada County Day. This matter was postponed until June 2 meeting.

The Board requested the Probation Officer to obtain a report from the State Fire Marshall regarding the Indian Mountain Ranch Resort.

The meeting adjourned until Wednesday, May 14, 1952, at 10:00 o'clock A.M.

May 14, 1952  
The meeting of the Board convened at 10:00 o'clock A.M. pursuant to adjournment. The meeting was called to order by Chairman Henry G. Loehr, and upon roll call, all the members were noted present.

Mr. Thomas O'Brien, District Supervisor of the Department of Industrial Relations, Division of Housing, spoke to the Board regarding the study and treatment of sewage matter in new construction in populated rural and recreational areas in Nevada County. He requested the Board to take steps through the medium of proper ordinances to see that all future construction will comply with State and County Statutes. At the conclusion of the hearing, Mr. O'Brien stated he would have his office draw up a draft of a proper ordinance for submission to the District Attorney for his approval.

Mr. Clare Proctor, Chief of the Division of Tax Deeded Lands of the Controller's office, and his assistant Mr. Volney Van Dyke appeared before the Board and outlined in detail the requirements and advantages of the County having an abstract of delinquent taxes. As near as could be estimated, it was stated that it would probably take a year to complete the work and would cost in the neighborhood of \$18,400. The Auditor was instructed to place this amount in his preliminary budget to be gone into at a later time.

The Road Commissioner came before the Board regarding the Floriston Bridge. It was shown that the estimate of the cost of the work would be \$16,875.00 and that one-half of the cost would be \$8,437.50. After considerable discussion, it was decided to ask the Floriston Property Owners Association for the sum of \$937.50 to bring up their deposit of one-half of the matching money to the required amount, and that immediately upon the deposit of this amount, the Road Commissioner is authorized to proceed with the work and that the proper resolution will be forwarded to the Department of Finance.

Nothing further to come before this meeting, adjournment is taken sine die.

R. E. DEEBIE, County Clerk and Clerk of the Board of Supervisors.

ily of San Francisco, new owners of the B. B. Haslett property in Tahoe Vista, are up enjoying the lake's blue waters and our clean mountain air.

Jean Little returned, to her Kings Beach home after a week at Carson-Tahoe Hospital and P. M. Burroughs has returned to his Tahoe Vista home after five days over there.

The Burroughs are in need of a couple to work during the season and will be glad to interview such persons looking for a place.

Carroll Raymond, secretary for the Lake Tahoe Chamber of Commerce, finds a lot more activity around the chamber offices than she had anticipated and plans to be there over Saturdays and Sundays from now on through the season.

Soon the Truckee short cut will be open. Reports are that the boys ran into about six feet of snow up there on the hill that will have to be removed before North Tahoeites can get to Truckee without going away around through Tahoe City.

Fred Barton, formerly of Kings Beach, was a visitor at the lake and in Truckee on Monday.

Grass Valley Cooks Again At The Sportsmen

Ted O'Connor and Tony Carter of The Sportsmen at Truckee Resort have employed Mrs. Dora Ayers and Mrs. Pearl Barnhart of Grass Valley, who were the original cooks of the local eating place several years ago.

They will specialize in chicken and wild game dinners, with "all you can eat" shepherd's breakfasts at reasonable rates. Children will be catered to and there will be no charge for those up to three years of age. Hours are from 6 a.m. to 2 a.m.

TAHOE ITEMS

K. B. Steddom arrived Sunday from Santa Barbara to open their Tahoe City house. Mrs. Steddom is remaining in Santa Barbara to care for her mother, who is seriously ill.

Visitors at the Imon Mitchell home in Sunnyside over the week end were Mr. and Mrs. Glenn Mitchell and children, Lennie and Terry of Grass Valley; Mr. and Mrs. Glen Lutz and children, Rory and Jamie Guy of Camptonville. Mrs. Henrietta Youman and her son and daughter in law, Mr. and Mrs. Art McKeever, all of Roseville, visited the Mitchells Sunday.

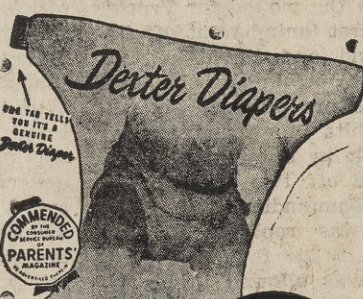

Mr. and Mrs. Charles Sherman, formerly of Tahoe City who have been at Sattley for several months, have left there for Turlock.

My Place In the Sun

by DOUG BARRETT

Jack Ellis says that after a couple of speed trials, Governor Harvey Hocker is beginning to look upon his car as a comfortable, family type vehicle.....not a candidate for Indianapolis.....Jack's own horseless carriage has an added ventilator.....a bullet hole thru the roof above the driver.....the story that goes with it is good and has a real moral.....A blue neon outline of the Masonic symbol lights the doorway to the lodge rooms on meeting nights.....Agnes Mahne met Norma Hansen in Sacramento last week.....and the latter says her hubby, Don, had just been installed as president of the Oroville Lions club.....the Hansens are one-time Gateway Parkers with scads of friends still hereabouts.....Two dogs tearing over the new bridge trying to get rid of a little red wagon.....recalling to Oscar Schumacher, who witnessed the mad dash from his kitchen window, the days when the same episode might have featured a team of horses.....Reg Smart with a smart trout dangling from either hand, making a bee line to his kitchen.....Heard a local lass exclaim, "Did you see what the Marines did to Herb Copeland's beautiful waves?".....C'est la guerre, girls.....

Re-Elect Judge C. W. Vernon

The Tahoe Judicial District

will become operative on January 5, 1953 — a new type of court with increased jurisdiction over the present Justice of the Peace Court. This court will have jurisdiction over the entire Placer County area of Lake Tahoe and a portion of the Donner Summit. It is the same area formerly known as Township 11 and some three years ago divided into Townships 11 and 12. By authority of a recent Constitutional Amendment, the present two courts will be consolidated as of next January.

By January 5, 1953, C. W. Vernon of Tahoe City will have served six years as Justice of the Peace of Township No. 11. He is a Juvenile Court Referee and is qualified for a Municipal Court Judgeship, were he a resident of a Municipal Court area. You, the voters, will decide who will be the Judge of the new court when you vote at the

## SWANEE'S Tahoe Letter

Tahoe City, May 19  
Dear Tanoites:  
The news of the death of one of Tahoe's most beloved pioneers, Dave Chambers, on Friday last has saddened the numerous old friends in this community and all over the state. He passed away in his sleep at a Santa Barbara hospital, where he had been a patient for several months. Dave will long be remembered for his kindnesses to those in want, his readiness to donate to any good cause

which might arise. He was active during World War II as a reserve member of the U. S. Coast Guard, taking his turn aboard the boats which patrolled Santa Barbara's ocean shoreline. He was, I am told, deeply interested in aiding the Shrine Hospital for Crippled Children and the family has requested that flowers be omitted at his funeral being held May 20, anyone who would've liked to send flowers being asked to send a donation to the Shrine Hospital for Crippled Children, in care of George Chambers, Dave's brother, at the Hotel Samarkand, Santa Barbara. Mrs. Chambers had been visiting the hospital daily to see her husband all winter, but about ten days ago

her own health was again threatened and her doctor ordered her confined to her room. Because of her illness, she has not been told of his passing. Volumes could be written about Dave's civic projects, such as his fire truck which was on call to the whole district at any time and his first aid boat, available to anyone in emergencies; about his devotion to his bulldog mascot, Mister, who preceded him to the happy hunting ground last year; about his constant thoughtfulness in behalf of his wife, Phila. I shall never forget all the delicious meals and other friendly accommodations I enjoyed as his guest during the past 20 years. A former newspaperman himself, Dave never missed a chance to tip me off to a good story in his vicinity. Dave Chambers the man may be gone but the memory of his kindly deeds and good fellowship will live through the years to come.

News came this past week, too, though with few details, of the passing of another Tahoeite, Mrs. Carlos Rookwood of Vallejo, who, with her husband spent the summer on the highway across from mer season in their beautiful stone

ber of Commerce. During the summer it is planned to provide her with a stenographer to aid with the correspondence.  
Mrs. Annie Soll left Washington state Monday on the return trip by plane she had made up north to visit at the home of her mother. She was gone almost ten days.  
Mrs. Ila Martin made a trip to Lovelock, Nev., her new home town. Her husband, Stan, is well settled on his new job as superintendent for the power company. Ila and Satn Jr. will join him when school is out here and packing is all done.  
Tahoe City Rotary Club is hosting a ladies' night dinner tonight at Tahoe Inn at which Brockway Rotarians and their wives and guests will also be present. About 85 persons are anticipated. A gala time has been arranged and iris corsages will be given the ladies.  
Two other birthdays of Tahoeites are being celebrated this week—Bud Scott's on May 19th and Wes Donaldson, who shares the 20th with me. Happy returns, gentlemen.  
Forgot to mention the earthquake on the 9th here and at Reno. I was in the latter town and, believe it or not, slept right through it for a change. Here at Tahoe they tell me there were two shocks, one lighter preceding the last and heaviest. Scared a lot of our citizens but did no known damage.  
Fishing remains good, according to reports. A light rain fell this afternoon and the snow is all but gone in the lowlands hereabouts.  
Adios to one and all, as ever, Swanee.

Have received a number of colored post cards from the C. O. Valentines of Costa Mesa. They've just returned from a motor trip to the peninsula recently and have taken off again, via air liner, for the east. Had cards from Dallas, Fort Worth and New Orleans. She also sent me a birthday card (for May 20) which she always remembers. Surely hope they have fun and return safely.

Must offer a clarification in the article on the sewage system for Tahoe City, found elsewhere in this issue. The houses on the hill above Bittencourt tract are not excluded from the system, only Fairview Drive and the homes around the curve west of town. Another point, rate of taxation estimated by the attorneys to run \$1.50 per \$100 assessed valuation, will be based on an assessed valuation of \$519,000, with interest rates diminishing as bonds are retired. Water bonds now outstanding amount to \$7,500, according to officials. Very serious consideration is being given the proposal which, in the minds of many, can hardly be done without, despite the expense involved. It is reported that five buildings will be started here as soon as sewage is properly provided for in town. Every new building will help lighten the tax load for the rest of the populace and, according to Mr. Johnson, the system could be largely self-supporting. Asa Abbott of Kings Beach and his wife attended, and he was most helpful in answering questions relative to the operation of the North Tahoe PUD sewage system now in operation.  
Fern Schlueter arrived home on Monday from her trip to Hawaii and is pitching in to clean up the cabins and her home for summer operation.

Am pleased that my old friend, Cary Raymond, is back from Auburn and will serve as secretary-manager of the Lake Tahoe Cham-

## ROWE ASKS OUSTER OF DIRECTORS OF SUMMIT DISTRICT

NEVADA CITY—Supervisor Frank J. Rowe of Grass Valley has served notice to the Nevada County board of supervisors that at its June 2 meeting he would demand removal of the five present directors of the Donner Summit Public Utility District and appointment of five new ones. He will base his action, he said, on the directors' failure to call an election for directors two years ago and another election on May 6 as required by law.

Supervisor Henry G. Loehr of Truckee asked Rowe to hold off on his move until Loehr could investigate the situation on the summit. Rowe said he doubted Loehr

## THEN AND NOW

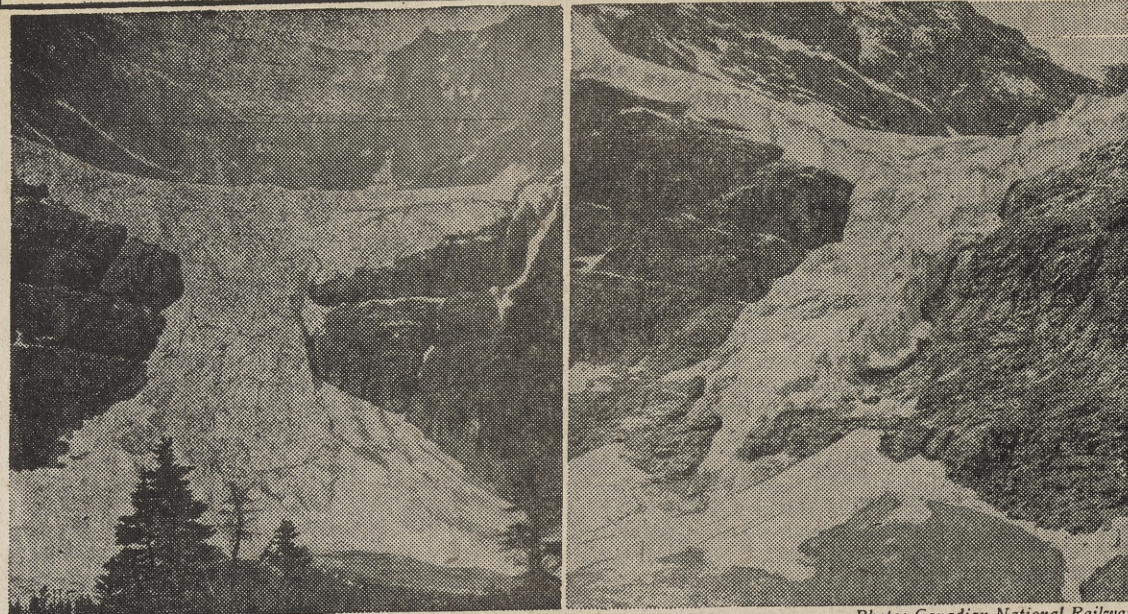

Photo: Canadian National Railways

HERE is proof that the glaciers of the continent are receding. These pictures of Mount Edith Cavell in Jasper National Park, Alberta, were made from about the same spot, but 40 years apart, the one on the left in 1910 and that on the right in 1951. The ice field is known as the Angel Glacier and it will be noted how, during the 40 year interval, the foot of the glacier has shrunk and the moraine increased. There is a very noticeable recession along the wings of the glacier also.

could learn anything to make him change his mind.

Rowe's declaration came after the board had been discussing complaints against allegedly inadequate sanitation facilities in the Donner Summit region. Loehr said the utility district had found itself financially unable to provide both a sufficient source of pure water and an efficient sewage disposal system. A division of opinion among the residents was adding to the district's problems, he said.

Of the five directors of the utility district, three had terms expiring May 6 this year. They are Elmo Moriano, Charles Vind and Henry Piche. The other two, whose terms expired two years ago, according to Rowe, are William Rutherford and Virgil Misener.

### Rocky Mountain Goat

The Rocky Mountain goat is related to the European chamois.

### Tahoe Lake PTA Meet Is Called Off

TAHOE CITY—Mrs. Al Henry Jr., president, announced Tuesday that the Tahoe Lake School Parents and Teachers Association meeting scheduled Thursday, May 29, has been cancelled. The meetings of the organization will be resumed after the opening of the school semester in the fall.

### Women's Club Luncheon Slated at Tahoe Inn

TAHOE CITY—The Women's Club of Tahoe will hold its annual Spring Luncheon Thursday, June 5, at Tahoe Inn, beginning at 1 p.m. Installation of new officers will be a major item on the agenda. Everyone is welcome but reservations must be in by June 3. Reservations may be made with Mrs. Phil Geier at Tahoe City 66M or Mrs. I. D. Mitchell at Tahoe City 316R. The price per person is \$1.50.

### Peak of High Sierra

The Sierra Nevada reaches its maximum elevation of 14,496 feet in Mount Whitney.

## NORTH STATE FIRE FIGHTERS CONFAB AT FRESNO IN JUNE

Preparations have been completed for the annual convention and conference of the Northern California Fire Chief's Association to be held at Fresno June 6 thru June 8. The NCFCA extends a special invitation to all commu-

ities to send a representative to these sessions.

Special invitations have been extended to all members of all volunteer groups — part paid, rural, industrial, forestry and all fire department members — to attend. The program outlined will be educational with many outstanding fire officials on the program.

# COMEDY, WESTERN, MUSIC, MYSTERY ON THEATER'S BILL

Superstition, which has played a prominent role in the careers of the greatest bullfighters who ever lived, is brought out vividly in "Bullfighter and the Lady," being shown this evening at the Donner Theater in Truckee. Authentically filmed in Mexico, the picture focuses attention on the inherent superstition of the Mexican heroes when Robert Stack, starring with Joy Page and Gilbert Roland, enters the arena in the wrong costume with dire results.

The new Technicolor western, "The Cimarron Kid," starring

Audie Murphy and Yvette Dugay, plays the Donner Theater Friday and Saturday. The story revolves about a quick-shooting youth, portrayed by Murphy, who joins the notorious Dalton gang against his will and the desperate adventures in which he finds himself involved. "Sailor Beware," the latest Dean Martin and Jerry Lewis comedy, will be featured at the local cinema Sunday and Monday. The film casts Martin and Lewis as submarine sailors launched on an uproarious round of misadventures ashore and afloat. "Sailor Beware" features a musical score of eight tunes.

A mysterious diamond theft and a murder keynote the tense drama in "The Las Vegas Story," star-

ring Jane Russell, Victor Mature and Vincent Price, showing at the Truckee show house next Tuesday and Wednesday. The encounter of these three people in a luxurious gambling palace in Nevada brings to life old loves, unmasks an embezzler posing as a rich broker and fastens a murder on an innocent man. Musical renditions by Miss Russell and Hoagy Carmichael provide entertaining interludes.

The Prayer Book Cross in San Francisco's Golden Gate Park, erected in 1894, commemorates the first religious service in the English language on the Pacific Coast, held by Sir Francis Drake in 1579.

**TANK COMMANDER SIGNALS HELICOPTER TO EVACUATE WOUNDED**—This is a common scene in modern warfare where helicopters are used in the prompt transport of casualties from the field to aid stations and hospitals. (U. S. Army photo released by the Department of Defense.)

## CAPITAL MATRIARCH RECALLS EARLY DAYS NEAR TRUCKEE

SACRAMENTO— If anyone wants to know about Truckee's distant past, they might call on Mrs. Jessie Hale, 92, of 3216 1/2 Fourth Avenue, Sacramento, who was crowned queen of the Sacramento Grandmothers' Club recently.

Mrs. Hale says she practically grew up in the Sierra town when it was known as Coburn Station and the big Studebaker wagons rolled past when Virginia City and Carson City were booming silver towns.

For 32 years, says Mrs. Hale, she's been compiling the early Donner area history and it makes quite a stack of manuscript.

Mrs. Hale is a native of Marysville and the daughter of an army officer who formed his own company and marched off to the Civil War.

He was Capt. William P. Calloway, an adventurous Kentuckian, who led a wagon train to California in Gold Rush days after serving as an enlisted man in the Mexican War of 1847-48.

Her mother, one of the Springfield, Ill., Johnses, was a close neighbor of the Donner family, whose members included Jacob and George, leaders of the party that got stuck in the Sierra snow and created a California legend.

Mrs. Hale was just four years old when the family settled near Coburn Station. But, she remembers how in the years that passed the way stop grew as the silver strike emade two small Nevada towns into roaring mining camps.

In later years, her father left the mountains and, as a civil engineer, helped lay out an Indian reservation near Blythe and also

was a member of an exploring party up the Colorado River.

His death came, she says, in the 1870's at the hands of Indians who attacked him while he was working with an engineering party near San Diego.

Coburn's Station ceased to be known by that name when the Central Pacific crested the Sierra in 1868 and established the town of Truckee at the site. The actual location of the old stage stop on the Dutch Flat to Virginia City wagon road was about where the Frank A. Titus residence stands today.

Since the death of her husband a year ago, Mrs. Hale has lived alone, keeping her house, doing her own shopping and caring for her garden. She has six children.

## Operation Survival Set For Dog Valley Area

RENO— Officers at the reactivated Stead Air Force Base announced the U. S. Air Force will start a survival training program in the mountains west of Reno on June 4.

The first contingent will total 200 men, all of whom will be members of air force combat crews.

A similar complement will be trained in July, after which there will be two groups of 600 men each to be trained monthly.

Most of the training will be in the vicinity of Dog Valley, just across the state line in California and north of Verdi.

Before the air troops arrived here, they had been stationed at Camp Carson in the Colorado Rockies.

Air force officers reported that when the program is expanded the Tahoe, El Dorado, Plumas and Lassen National Forests will be utilized.

From where I sit ... by Joe Marsh

## Well, What Do You Know?

Do you believe in a bunch of old tales about lightning—about how it's attracted by cats or the warmth of cattle... how it never strikes in the same place twice... or how it's liable to turn milk sour? Lots of people often do—but they're wrong.

Dad Hawkins inspired this column today. He's really studied up on lightning since his own cow barn was struck that time.

"Trouble is, most of us don't know half enough about the subject," Dad says. "And about half of what we do know is false!"

From where I sit, Dad's statement applies to a lot of things besides lightning. Too many people think they know their neighbor's wrong when he votes for his candidate instead of theirs. Some people even resent our right to enjoy a friendly glass of beer if and when we choose. Opinions based on misinformation and prejudice, instead of being "grounded" on true facts can cause more damage than lightning ever did.

Joe Marsh

## You can swing it if you try

HAVE you, by any chance, been casting eyes at a Buick, and promising yourself that someday you will take the Big Step and have one all your own?

Let us whisper something to you. The "big step" isn't big at all.

We know that's true, because such a high percentage of present Buick owners traded in a car tagged as belonging in "the low-priced field."

So why not set your sights on this star performer?

Why not enjoy big-car comfort—big-car power—big-car prestige for your money?

There's one of these lively lovelies waiting for you to come in and try it.

Get the feel of its mighty Fireball 8 Engine, that's a gas-saving high-compression valve-in-head. You could pay \$300 to \$400 more for a car that doesn't match its horsepower.

Get the feel of Dynaflo Drive\*, that lets you ride relaxed—feeds a silken flow of power—and at the same time cuts down on upkeep costs, by protecting the engine, the rear end, and even the tires, from driving strains.

Get the feel of a ride that cost a million dollars and more for

controls of end-sway and side-roll and vertical "throw"—for X-bracing the frame and V-bracing the torque-tube keel—for a total of 15 ride-engineering features.

One thing you'll know for sure when you've tried it. This car wasn't "built to a price." It's a Buick through and through.

But the fact remains that—when you check the price of a Buick SPECIAL against the price tags on so-called "low-priced cars"—you'll find out you can swing it if you really want to.

And brother, will that make your family happy!

# TAHOE CITIZENS HEAR DETAILS OF PLAN FOR SEWAGE SYSTEM

TAHOE CITY—A large crowd attended the meeting called by the Tahoe City Public Utility District Friday night at 7:30 in community hall for discussion of the proposed new sewage plant for Tahoe City.

Present to explain the plan in

detail and answer questions were J. T. Leggett, Bishop, and Cecil Edmunds, Truckee, members of the state regional Lahontan water pollution board; E. A. Johnson, Lincoln, engineer employed by the district to draw the plans and specifications for the plant; Warren Holmes, Sacramento, member of the state board of health; F. L. Sinclair and Paul Chamberlain, Auburn attorneys employed by the district; James Wheat, Placer County sanitarian; Gordon Kishbaugh, Stockton, state division of beaches and parks official; C. W. Vernon, Norman Mayfield and E. H. Pomin, TCPUD directors.

The plan proposed by Johnson, after three years work on the project, is a bio-filtration system, which could be constructed in 120 working days and would serve 200 connections, or approximately 1800 persons during peak seasons. Because of unavailability of larger acreage for other plants, the bio-filtration plant was considered the most economical and efficient for this particular area. A building about 50 feet square would house the plant, protecting it in winter, with gasoline pumps installed for the system, one at the foot of Grove Street and one near the site of the old Pullman diner where pumping would start to the top of the hill above town where the sludge bed would also be located.

All areas of the town now critically threatened because of heavy water saturation, due to the heavy winter, would be served. Homes on Fairway Drive above the golf course and others on the hillside above the Bittencourt Tract would have to wait until later for sewer service. The district extends from the Truckee River on the south of town to the Tahoe Campgrounds State Park on the north edge to town, along the mountain ridge west of town and down to the lakeshore to the east. The entire area would be taxed for the indebtedness.

The entire cost of the plant would be \$126,000, figured at current prices, with upkeep and maintenance set at \$2,500 annually. Capacity in future years could be doubled by the expenditure of \$15,000, according to Johnson. Service charges would be determined by the utility directors according to the classification of dwellings such charges to be payable on an annual basis. Only added charges would be for connections to the mainline trunk of the sewer.

The district would have to vote general obligation bonds amounting to \$97,000, to be paid back over a 30-year period, at what attorneys believe would not be more

**RELIGIOUS RITES AMID WAR'S DESTRUCTION**—Pausing quietly in battle-torn Korea, U. S. Air Force 1st Lieut. Kenneth L. Oden is baptized by Chaplain (Capt.) Arthur E. K. Brenner in the muddy waters of Chinwi-chon River. Battered into uselessness by U. S. Far East airplanes, the crumpled bridge and the partially submerged and abandoned Russian-built T-34 tank in the foreground are mute witnesses to the solemn rites.

## GREYHOUND GIVEN PERMIT TO RUN SERVICE AT LAKE

SACRAMENTO—The California Public Utilities Commission has ordered a certificate of public convenience be issued to the Pacific Greyhound Lines to operate in the Lake Tahoe area. The order modifies and brings up to date previous commission rulings.

The bus line is authorized to provide service between the Nevada-California border east of Lakeside and Sacramento via US Highway 50, the state line at Cal-Neva and Tahoe City, Truckee and Tahoe City, Tahoe City and Tahoe Valley Junction, Folsom and Florida Inn, and other valley points.

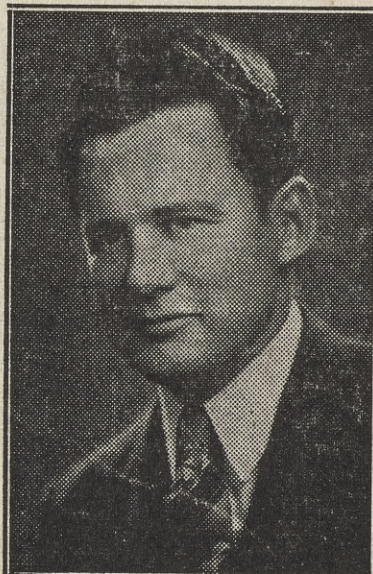

Regular service is to be operated

than five per cent interest in order to receive the approved loan of \$29,000 at two per cent interest from the million dollar reserve fund set aside by the state to aid districts unable to finance needed sewage disposal systems. If voted, it will be the first loan granted from the reserve fund by the state.

Following a short interim for local procedure and for 30 days notices and publication, a special election will be held in Tahoe City Community Center, to be voted upon by all qualified electors of the district. If approved bids will be let and work will proceed as rapidly as possible with completion possible this year if early snow does not visit the Tahoe City region.

## Bi-Partisan

CONGRESSMAN CLAIR ENGLE candidate for re-election, is the only Democratic member of the House of Representatives from the northern part of the United States who has a 100 per cent voting record on all bi-partisan issues decided in the last session of Congress, thereby establishing for this district a record of independent representation unequalled north of the Mason-Dixon line.

## TRIO IS CONVICTED ON DRUNK COUNTS IN TAHOE COURT

TAHOE CITY—Virgil R. Casey of Auburn, charged with drunken and reckless driving, was committed to Placer County jail in lieu of payment of a \$300 fine in the Tahoe City justice court May 10. David and Eddie Collett of Penryn, passengers with Casey, were released after arranging for installment payments of a \$100 fine each on conviction of charges of being drunk in or about an automobile. The trio was arrested by State Patrolman T. F. Sheehan.

You are hereby notified that an  
action has been commenced  
against you in the above-entitled  
court by the above-named plaintiffs  
for the purpose of determining  
all adverse claims to and  
clouds upon the title to all that  
certain real property situate in  
the Town of Truckee, County of  
Nevada, State of California, and  
more particularly described as follows, viz.:

All of that parcel of land situate  
in Section 15, Township 17 North,  
Range 16 East, M.D.B.&M., and  
more particularly comprising all  
of Lots 43 and 44 and the Easterly  
6 feet of Lot 45, all in Block  
"T" of the Town of Truckee,  
County of Nevada, State of California;  
a portion of Main Street  
West to the South of said Block  
T; and a parcel of land lying between  
the Southerly line of Main  
Street West and the Northern  
boundary line of the Southern Pacific  
Co. right of way, described  
as follows:

Beginning at a point on the Northern boundary line of the said Lot 45 in Block "T" distant thereon North 58 deg. 44' 30" East 13.00 feet from the most Western corner of the said lot and running thence along the Northern boundary line of Lots 45, 44, and 43 respectively North 58 deg. 44' 30" East 39.00 feet to the most Northern corner of Lot 43, said point being also the most Westerly corner of that certain tract of land conveyed by the deed dated September 29, 1930, recorded October 24, 1930, in Book "5" of Official Records, at page 342, executed by Ross E. Pierce and Ruth R. Pierce, husband and wife, to The Pacific Telephone and Telegraph Company, a corporation, thence along the Northeastly boundary line of the said Lot 43, and the boundary line's Southerly production, and along the Southwesterly line of said The Pacific Telephone and Telegraph Company tract, South 31 deg. 15' 30" East 163.52 feet to the Northern boundary line of the Southern Pacific Co. right of way; thence along the last said line Westerly on the arc of a curve to the left with a radius of 3064.93 feet, the chord of which arc bears South 70 deg. 45' 43" West 39.87 feet, a distance on said arc of 39.87 feet; thence North 31 deg. 15' 30" West 155.21 feet to the point of beginning.

You are hereby directed to appear and answer the complaint in an action entitled as above brought against you in the Superior Court of the County of Nevada, State of California, within ten days after the service on you of the summons—if served within this county; or within thirty days if served elsewhere.

And you are hereby notified that unless you appear and answer as above required, the said plaintiffs will take judgment for any money or damages demanded in the complaint as arising upon contract, or plaintiffs will apply to the court for any other relief demanded in the complaint.

GIVEN under my hand the seal of the Superior Court of the County of Nevada, State of California, this 5th day of May, A.D. 1952.

## LETTER to the editor

FORMER RESIDENT PRAISES  
NEW HI SCHOOL PRINCIPAL  
Sebastopol, Calif.  
May 19, 1952

Dear Sir:

I note in your paper of May 15th where the Tahoe-Truckee High School has chosen a Sebastopol man for the principalship for next year. I am referring to Mr. George A. Bergen.

Having known Mr. Bergen for sometime myself, would like to say that the governing board of the Tahoe-Truckee Unified School District is to be congratulated in

their choice, and I am sure that the Tahoe-Truckee High School will have a good leader.

Having been on the Truckee high school board myself in the past, I know what it is all about. Mr. Bergen is a good booster and a hard worker and I know he will be an asset to your community. I have worked with him on various committees in the Sebastopol Lions Club, as well as other projects. So, may I say congratulations all around?

LLOYD A. GREENE

(Editor's Note: Mr. Greene is a former Truckee businessman, having operated a variety store and while here was active in local civic, service club and lodge work.)

## PORCUPINE LUCKY TO HAVE QUILLS; SLOW, STUPID BEAST SAYS FEDERATION

Some people have the idea that a porcupine can shoot its quills, but that isn't true. While the animal uses its bristles to drive away enemies, it doesn't send the weapons winging through the air.

Instead, a porcupine under attack arches its back, raises its quills and awaits the foe. At the moment its body is touched, the porcupine swings its broad tail and swats its opponent. The stinging blow leaves a patch of quills stuck in the enemy's flesh.

The stiff, slender spines are hard to remove, too. Covered with sharp barbs, like the ends of fish hooks, they sink in and cling to the flesh which they stab. An ani-

mal wounded in a fight with a porcupine may try for days, without success, to get rid of the quills.

Though they are soon taking care of themselves, the young do not reach full size until they are about three weeks old. By that age they are three feet long, with six-inch tails, and they weigh between 15 and 20 pounds. Their quills are yellowish white, mixed with black hairs, and their front teeth are bright orange.

Most North American porcupines live in the deep forests of Canada and the northeastern United States. They are also found in scattered parts of the north and far west.

©1951 National Wildlife Federation  
Porcupine

mal wounded in a fight with a porcupine may try for days, without success, to get rid of the quills.

The porcupine is lucky to have this unusual means of defending itself, says the National Wildlife Federation, for it is a slow, stupid animal. It cannot move quickly, either on the ground or in trees. If it did not have barbed quills, it would be an easy victim of mountain lions, bobcats and other preying animals.

While it does not run from a fight, the porcupine tries to keep

Mesdames Pearl Snyder and Dorothy O'Rourke were hostesses.

## PUBLIC CANASTA PARTY AT LAKE SATURDAY NIGHT

TAHOE CITY—Saturday evening, May 24, at 8 p.m. members of the Women's Club of Tahoe will hold their first public canasta party of the current season, according to Mrs. Jeannette Mitchell, chairman of the entertainment committee. A moderate admission charge will be made.

At the May 15 meeting in the community center, Mrs. Louise Geier was made chairman of the clothing drive for Koreans which will begin at once and continue until further notice. Mrs. Geier will place large boxes in the local stores and residents are requested to deposit their donations in them. All clothing is welcome and must be clean, although it need not be ironed. Phyllis Walsh of the AWWVS in Reno will collect the clothing when notified of the close of the drive.

Following the short business meeting last Thursday, canasta and refreshments were enjoyed.

## THANK YOU

TO MY SUPPORTERS

Each passing day I receive reports of new groups and individuals actively engaged in assisting me in my campaign for the office of Superior Judge of Nevada County. Such reports are highly gratifying and prompt a very sincere, "Thank you, everyone!"

My early intentions of covering each area of the county step by step, in behalf of my candidacy, have been thwarted by the extensive program of duties confining me to my office and Court as your District Attorney. While my greatest desire is to contact each voter personally, I believe — and I believe that you will agree — that my first duty is fulfillment of my sworn obligation to my office. In view of such confining circumstances the efforts of each and everyone working so sincerely in my behalf is great encouragement.

During the remaining few days before the election date of June 3, I will redouble my efforts to make personal contact in the furtherance of my campaign.

The continued efforts of those engaged in working for my election to Superior Judge between now and June 3 will play an important part in the success of my campaign. Keep up the good work!

## Tahoe Conference Suggests 6228-Foot Peak; Alternate Methods Listed

**VARIED METHODS OF LEVEL CONTROL SUGGESTED**  
GLENBROOK (Lake Tahoe)—Lake Tahoe's maximum level would be fixed at 6,228 feet above sea level and the minimum kept at 6,223 if suggestions made at the Glenbrook conference last Friday are adopted.

California and Nevada Lake Tahoe Conference Committee members set forth the plans during their discussions. The lake this year has been as high as 6,229 feet and is at present down to well below the 6,228 feet mark, with the Truckee River gates at Tahoe City wide open.

Suggestions for keeping the lake at the 6,228 level were made from various sources.

One suggested downstream storage areas along the Truckee River to prevent flood conditions. Another suggested that Tahoe water at high levels would be turned into the Rubicon-American River water system, then fed back when Tahoe began to recede. The tunnel proposition, by which water would be diverted into Washoe Lake, was

again broached and again brought protests from Lake Tahoe property owners.

The recommendations for maximum and minimum lake levels will have to be approved by water users, land owners around the lake, Truckee - Carson Irrigation District, the Sierra Pacific Power Company and the Washoe County Water Conservation District.

### CITY OF RENO SUPPORT SEEN FOR PROSSER

RENO.—Creation of a flood control water storage program in the Prosser Creek and Stampede Valley areas will probably be endorsed by the city of Reno early next week.

Mayor Francis R. Smith said Monday that city officials have informally approved the plan—one of several under consideration in a long-range flood control program—and that the city council will give it their formal attention in the near future.

If the official approval is given, the city will be the first group to go on record with a definite endorsement of a flood control proposal.

Army engineers have drawn up a number of plans for flood control, affecting the Truckee, Carson and Walker Rivers. The Truckee-Carson Irrigation District, dependent on both streams, has asked that a program combining work on both the Truckee and Carson be set up. However, the Carson River waters have been the subject of litigation in federal court for some years, and there does not seem to be much hope that the

case can be settled in the future. It is believed that the city, if it makes its proposal recommendation, will ask that the Prosser-Stampede project go ahead separately from any work on the Carson River. Thus the court delay affecting the Carson would not result in any holdup of flood control work on the Truckee.

The Prosser-Stampede project calls for construction of two new reservoirs, one on Prosser Creek and the other in Stampede Valley on the Little Truckee River. Both Prosser Creek and the Little Truckee are feeder streams for the Truckee River.

A reservoir on Prosser Creek would have a capacity of 130,000 acre feet and would be used for water taken from Lake Tahoe.

A reservoir in Stampede Valley would further serve to prevent serious runoff from the Little Truckee, adding considerably to the storage already possible in Boca reservoir. Beside being a flood control safety factor, the Stampede reservoir would also be a storage factor for dry years.

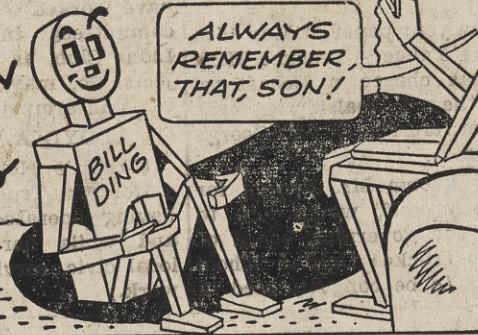

Both proposed new reservoirs could be utilized for power generation purposes.

It is likely that the army engineers would construct the Prosser reservoir and the bureau of reclamation the Stampede project, officials said.

**LAKE LEVEL ON MONDAY WAS AT 6227.41 FEET**  
TAHOE CITY.—Gatekeeper Art Frodenberg reported that at 8 a.m. Monday, the level of Lake Tahoe was 6227.41 feet with all 17 gates

open full. Daily high and low temperatures for the week before were May 12th: 60, 32; 13th: 59, 33; 14th: 60, 28; 15th: 51, 29; 16th: 55, 34; 17th: 62, 32; 18th: were May 12th: 60, 32; 13th: 59, 33; 14th: 60, 28; 15th: 51, 29; 16th: 55, 34; 17th: 62, 32; 18th: 59, 32; 19th: low, 34.

## Summit Scene

by FRAN COUILLARD

On May 15 a handful of residents of the Donner area congregated in the Donner Trail School house for the purpose of again trying to form a promotion organization for the area. Enthusiasm was engendered for a mountain chamber of commerce and an executive committee was set up for the purpose of exploring the best methods of organizations, composed of Brant Chaplin, Soda Springs Hotel; Carl Widling, Rancho Sierra; Mrs. Janet Fonseca, Dutch Flat; R. Steen, Steen's Motel, Kingsvale; Jergen Vind, Ski Inn, Norden. Those present

sent contributed a sum of \$3 per business for the purpose of setting up a temporary treasury for the initial work of organization. A follow up meeting held at Soda Springs Hotel May 19 by the executive committee brought forth the announcement that a classification system will be adopted for the election of the board of directors, there being seven "break downs" of various businesses in the area. The name of Highway 40 Sierra Chamber of Commerce was tentatively adopted, subject to the approval of the future board of directors.

Due to the fact that this movement is being born of careful decision, pains taking effort and in a period where the rush and flurry of a busy season is not distracting from the problem at hand, we believe that a workable organization

is in the offing—and no one denies that an organization for the hill is of paramount importance at this particular time.

An adjournment of the last mentioned meeting brought in a group who brought their own refreshments. Paula Isola of Chantarella Lodge, who did not know that a huge and lusciously decorated cake was in her own depositary, wandered up the hill to the Soda Springs Hotel—much to the surprise of chagrin. Not to be thwarted, however, her "gang" followed up the hill and brought the cake along. We all enjoyed a piece of the American Beauty concoction, however, and are glad that Paula decided to take a stroll.

Being tall, liking the wind and the rain in our face and the feel of our roots in Sierra granite, we have rather fancied the idea that perhaps in a former incarnation we were a tree—maybe a Sierra pine. In our own domain we have spotted those we loved in their symmetry and perfection—in fact our photograph album is well sprinkled with pictures of the Sierra sentinel. Riding along Highway 40 at the present time, or the beautiful road along the Truckee River toward Lake Tahoe, we shudder at the devastation of the pines as they hug the earth, too tired to lift their star crowned heads and rise again after this past winter's onslaught. The cutting of one of nature's most beautiful borders of the mountain road has always filled me with despair. However, I give in. Won't someone please cut these fallen and bruised monarchs that cannot rise so that their offspring can breathe and grow? Won't someone please remove the evidences of the most tempestuous season we have experienced so that we will not be constantly reminded of our rugged winter? These sad stragglers lie drunkenly in the ravines. Twisted, broken they beg for pro-

per burial. Won't someone pay them the respect that is rightfully theirs?

Mrs. Bert Bacon of Cisco Grove raids her mailbox each morning for a letter from her Bert who is touring Europe. Once in a while we get a phrase read to us as she peruses her communications. Imagine our surprise when she read that Bert heard of the Mallory home burning at Soda Springs, in a tea shop near London. Yep, the Soda Springs storm and fire news-reel was seen in the British capital.

And speaking of London, we waved a regretful goodbye to John Mitcheson, former British consul general at San Francisco, who came into this area to take a last look at his preferred spot in America before he left for England and a retirement pension. Art Couillard and Jim Sherritt drove John to Portola where he bade them goodbye as he boarded the Western Pacific.

A peek in at Donner Summit Lodge Tuesday evening disclosed the state senate interim committee on fish and game. The club rooms of the lodge were filled with interested sportsmen from Colfax, Auburn and other areas, meeting Senators Harold Johnson, Placer, Nevada and Sierra Counties; Ed Johnson, Sutter and Yuba; George Hatfield, Merced and Madera; Charles Brown, Inyo, Mono and Alpine; J. Howard Williams, Tulare County. Starting at Sacramento at 8 a.m. on the 20th, the solons toured Folsom Dam area, stopped at the North Fork Debris Dam, and then proceeded to Foresthill, thence to Shirltail Canyon. After meeting the Colfax Rod and Gun Club members, they journeyed to Alta for a side trip to Lovers Leap where the North Fork of the American River was viewed. The Fuller-Bowman Lake country, Yuba Gap, Donner Lake, Tahoe City, Kings Beach, Martis Creek, Truckee River Canyon,

## KINGS BEACH SCHOOL

Kindergarten and 1st Grade

Larry Free came back from spending the winter in southern California. He has a turtle named "Happy."

Ronnie Powell, brother of Donnie Powell, is a new boy in our room too.

Gary's brother and sister, Vern and Janice Wing, visited our class for a little while Friday afternoon. Grades 2 and 3

Our field trip to the Stewart Indian Agency at Stewart, Nevada, was indeed a pleasant and educational one. We went through the farm and through the shop. We enjoyed the Indian graduates in their lovely formal. The day we visited happened to be graduation day for the high school. We ate our lunches on the lawn under the shade of huge poplar trees.

In the afternoon we went through the Carson City museum. We saw the colors that flew over Pearl Harbor. We saw a huge mounted tuna fish. We found the Indian exhibits very interesting.

We went through the mine and learned it took two years of hard work to complete it. Before leaving the smallest capital of the United States, we went through the old time locomotive, "The Glenbrook." Mrs. Robert Hobbs, Mrs. Don Orkfriz and Mrs. Jack Powell accompanied us on our trip.

On Monday, Stanley Gould returned to our class. Stanley has been attending school at Citrus Heights, near Sacramento.

Several days this week we had perfect attendance.

Our class has been modeling with clay this week. Joan Decker and Linda Waian made some top poles. Denis Ludlow and David Decker made dugout canoes. They are on our exhibit table.

Carolyn Bland is the new girl

Boca Reservoir, Dog Valley Grade, Sierra Valley, Downieville, Indian Valley, Scott's Flat Reservoir, Washington and Narrows Dam, Lions Lake—these are but a few of the places to be viewed and explored by the group. Met the Placer County chamber group at the meeting also. Looks like a good start toward a fish and game program this year.

## Tahoe-Truckee, Loyalton Field Day Is Success

The Loyalton and Tahoe-Truckee high schools field day last Friday was a huge success, according to Miss Virginia Angelo and James Brehler, high school physical education teachers. Activities got under way at 3:30 with softball games on the local diamond. The Loyalton teams walked away with this event. Later in the day, T-T teams won two out of three volleyball games.

Supper was served to the Loyalton guests in the high school cafeteria and then group enjoyed dancing in the cafeteria until eleven o'clock.

## ADMINISTRATIVE ABILITY IMPORTANT TO SUPERVISOR

The knowledge of county and state governmental procedure is an important attribute in any public official.

During the eight years I have served as your representative on the Board of Supervisors of Nevada County I have kept in constant touch with every change in government which has any bearing on the local conditions, opposing or supporting issues as they were presented, but always with the thought of their effect upon this district as a whole.

My record will show that through study of these issues I have been able to secure appropriations and assistance from state and federal agencies which have proven valuable to our district. I can cite numerous instances where this knowledge and application has amply paid off. Our various independent districts, such as the hospital, sanitary district and all others have shared in this respect, and I have never allowed outside agencies to take advantage of appropriations or grants to which we were entitled.

This can be proved through comparison. My position as chairman of the board offers more evidence that

my study and knowledge of governmental procedure is thorough. I feel that my election and retention in this position was occasioned by the fact that I am familiar with the duties of my office. And I can assure you that this was accomplished only through years of close study and application. Administrative ability is important if we are to continue to derive benefits to which we are entitled, but which other communities will grab if we are not constantly alert.

Too often, in the past, this district had suffered from lack of funds and official attention simply because our representatives failed to keep pace with the rapidly changing methods of administration. We need not let it happen again. I can promise you now that if I am returned to the office which I now hold, it will continue to be my task to fight for every last benefit to which we are entitled. I ask you to review my record during the past eight years as evidence that this promise can and will be kept.

Only a few short days remain before you will be called upon to vote and I ask only that you weigh the evidence, make comparisons and give consideration to the future welfare of your community and district and their various agencies. The decision is in your hands.

## ON HIS RECORD

SINCE IT IS IMPOSSIBLE for any candidate for public office to personally meet and talk with 11,096 voters between March 1st and June 3rd, it has not been possible for me to personally meet and talk with all the voters of Nevada County. I am, therefore, taking this means of bringing before you my candidacy for re-election to the office of Judge of your Superior Court.

I AM STANDING on my record of accomplishment during my one term in office. Six years ago, when you elected me to be your Superior Court Judge, I promised that I would conduct that office Honestly, Conscientiously, Sincerely, and Economically, and would, above all things, decide every case submitted to me without fear or favor, and with Justice and Fairness to all. My record as Judge proves that I have kept this promise and have done all things that I promised to do.

SINCE I HAVE NOW had six years experience as Judge of the Superior Court, I am by reason thereof better qualified and fitted to continue to perform the important duties of that office.

I PROMISE YOU that if I am re-elected, I shall continue to conduct the duties of Judge of the Superior Court Honestly, Conscientiously, Economically, Fearlessly, and above all with Justice and Fairness to everyone.

VERY SINCERELY YOURS,

Judge James Snell

# SHERITT SPEAKS ABOUT HOSPITAL

James Sheritt of Soda Springs and a director of the Tahoe Forest Hospital gave an informative talk on the background and operation of the district hospital at the meeting of the Wyethia Club held Friday evening.

Sheritt was introduced by C. R. Heller, chairman of the hospital board, and was accompanied by John Mitcheson, British vice consul general at San Francisco, who recently retired from the service at San Francisco and is en route to his home in England. The distinguished visitor, who was recently feted before leaving the bay city, also spoke entertainingly before the club.

The A team, with Mrs. James Walker as chairman, will entertain Mrs. Lester Braasch and members of the B team at a pot luck dinner to be held in the club house June 6 at 8 p.m. as a climax of the membership drive.

Mrs. Arthur Couillard of Soda Springs has replaced Mrs. C. P. King as secretary of the club, Mrs. King having resigned from that position. Mrs. Fred Pedley gave a report on a convention and Mrs. David Rose presided. Members voted to present the Tahoe Forest Hospital with a blood type file as their project for the year. Refreshments were served during the social hour.

# LOYND RETAINED ON SCHOOL BOARD

Walter A. Loynd was reelected on the Tahoe - Truckee Unified school board at Friday's election without opposition with the exception of Donner Summit, where 18 write-in votes were cast for William Rutherford, with Loynd getting ten.

At Truckee only 26 votes were cast, 21 going to the incumbent. Kings Beach gave all 14 votes cast to Loynd while Tahoe City cast an equal amount for the local man.

# Anderson Dissatisfied With Union Contract

TAHOE CITY—Bert Anderson, Lake Tahoe building contractor and a member of Local No. 2035, is not pleased with the terms of the contract he has signed with the union.

In a letter to the Sierra Sun this week, Anderson said that under the contract he would be liable under the ruling of the OPS if he increases the pay rate and that if he continues to work, would be breaking the terms of the contract he has signed.

"The only sensible thing for me to do," he wrote, "is to close down until this thing is settled. I have no objection to a fair wage raise and I believe other contractors are of the same opinion."

# FRANK HOLT ENDS SERVICE FOR STATE

The issue for March and April, California Highway and Public Works, the official publication of the state division of highways, has two items of more than passing interest to readers in this area.

The first announces the retirement of Frank L. Holt, former Truckee resident now residing in Marysville. Holt retired after 34 years with the division and following a varied career. He started out here driving a stage between Truckee and Sierra Valley, worked for logging concerns, for the Southern Pacific and finally in 1917 he joined the division of highways.

After service in the army during the first war, Holt worked for the division on Echo Summit and later at Truckee, where he remained for 15 years, going to Marysville as leaderman in 1944.

The second item of interest consisted of three full pages of pictures showing the results of the storms over Donner Summit last winter.

# Pythian Sisters Sponsor Season Festival Dinner

Pythian Sisters Temple 79 will hold a festival of the seasons dinner party Thursday evening, June 26, in the Sportsmen at Truckee Resort, to which the public is invited. Tickets for the event will soon be presented for sale.

The plans were formed at a luncheon given by Mrs. Stan Songer on May 15, with the following members of the temple as her guests: Mesdames Charles Heller, R. Hesse, Ray Roberts, Jack Ellis, Hugh Weinand, M. Fisher, Glenn Coffey and A. Wakefield.

# Mississippi Stern Wheeler To Ply Tahoe's Waters

The "Dixie", huge Mississippi River type stern wheeler, will make its maiden voyage on Lake Tahoe Memorial Day, according to present plans. The huge craft, with a passenger capacity of 200 is equipped with latest appointments including a dance floor, lounge and other details.

It is owned by James Moss of Reno and will have Cave Rock as its home port.

# Hellers on the Move—

Charles Heller will attend the toy mart at Sacramento this week and Mrs. Heller will return from Santa Barbara, where she has been a delegate to the Pythian Sisters convention, this weekend.

Scott in City—Ray Scott is a business visitor in San Francisco.

Business in Nevada—Mrs. Mary Zunino and Mike Bimbo were business visitors in Carson City Wednesday.

At Nevada City—Mr. and Mrs. A. B. Polyanich were Nevada City visitors last Thursday.

Visit Here—Mr. and Mrs. James F. Quinn and the latter's mother, Mrs. Delia Little and Mrs. Lela Little, all of Mill Valley, visited friends here this week. Quinn is a former local resident and now operates cafes in the bay area.

Visits from Nevada—Mrs. W. H. (St) Perkins of Smith, Nev., was a local visitor Wednesday.

Sgt. Stice Here—Sgt. Dale Stice is visiting here on leave from the Air Force while awaiting his discharge. He will enter the West Point military academy immediately following his release.

To Visit Mrs. Walker—Mrs. George Walker, whose home is on the Truckee River, is expecting Dr. and Mrs. W. Crane from Oakland to arrive Monday.

# Proper Care ... Longer Wear

Worn soles on your shoes are danger signals that should not go unheeded. Shoes in this condition should be repaired without delay. New soles are much less expensive than new shoes so check yours over today.

# FATHER O'NEILL IRELAND BOUND

Father Patrick O'Neill, pastor of the Truckee Catholic parish, plans to leave May 25 for an extended visit to his native Ireland, returning to Truckee early in the fall.

Father O'Neill will go by train to New York and from there will fly by United Air Lines to Shannon, immediately going to his home in County Kilkenny.

During his absence, Father Roman Brennan will be in charge here and priests from the various colleges will take turns as assistants in the district.

# To Permanente—

Otis Hursey of Tahoe, who had been under treatment in the Tahoe Forest Hospital following a heart attack ten days ago has recovered sufficiently to be transferred to the Permanente hospital at Oakland where he is undergoing special tests and treatment.

Copeland on Leave—Herb Copeland finished his basic training in the U. S. Marines in southern California and is home on a ten days leave.

Moves to Reno—Mary Marquis who has made many friends while employed at the Sierra Tavern, is now in Reno where she has accepted a position.

# Tarzan

by EDGAR RICE BURROUGHS

IN CONCLUDING HIS FANTASTIC TALE, JORGE DURANA EXPLAINED THAT HE HAD FOUND THE INDIAN TREASURE BY INVESTIGATING RUMORS PASSED ON BY HIS ANCESTORS.

"THE INCAS WERE MOUNTAIN PEOPLE," SAID JORGE, "SO IT WAS LOGICAL FOR THEM TO SETTLE ON LUNYA." "THEN THE INDIANS HERE NOW ARE THEIR DESCENDANTS?" ASKED TARZAN, ENGROSSED. "EXACTLY!" REPLIED THE SPANIARD.

THEN, DESPERATELY, JORGE WHIPPED OUT A KNIFE, LEAPED FORWARD AND CUT TARZAN'S BOWSTRING!

"NOW YOU PAY FOR YOUR NEGLIGENCE!" JORGE HISSED. "NO ONE CAN ROB ME OF MY TREASURE-- MY HERITAGE!" HE HURLED THE WEAPON WITH DEADLY ACCURACY, BUT TARZAN, NOW KEENLY ALERT, DROPPED TO THE GROUND AS THE SPANIARD QUICKLY FLED.

THE APE-MAN FOLLOWED HIM BY WAY OF EERIE, CRAGGY PASSAGES. ONCE HE PAUSED, GRIM, WITH THE TURN OF EVENTS, JORGE'S MIND WAS FAILING FAST-- AND A CRAZED LAUGHTER OCCASIONALLY ECHOED THROUGH THE INKY BLACKNESS...
